As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way postal services are provided. Our tentative plans will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided.

Because of the fire that occurred at the Still Pond Post Office, this Post Office has been in an emergency suspension status. At this time, we are looking to see if there are suitable alternative options in Still Pond or can service be maintained by rural delivery out of the Worton, MD Post Office.

If you would like an opportunity to discuss alternatives with us, a postal representative will be at the Chestertown Post Office on 03/24/2011 from 5:00 P.M. to 6:00 P.M. to answer questions and provide information about our service.

If you have any questions, you may contact Philip Ventura at (410) 347-4623.

Thank you for your assistance.

Sincerely,

Bryan Landry
Manager, Post Office Operations
